

Zimmer Biomet Announces Leadership Transition

Aug 22, 2023

Chief Operating Officer Ivan Tornos Appointed President and CEO; Elected to the Board of Directors

Chief Financial Officer Suketu (Suky) Upadhyay's Role Expands to CFO and EVP, Finance, Operations & Supply Chain

Company Reaffirms Full-Year 2023 Financial Guidance

WARSAW, Ind., Aug. 22, 2023 /PRNewswire/ -- Zimmer Biomet Holdings, Inc. (NYSE and SIX: ZBH) today announced the appointment of Ivan Tornos as President and Chief Executive Officer (CEO) and election to the Board of Directors, effective immediately. Mr. Tornos has most recently served as Chief Operating Officer of Zimmer Biomet, a role he has held since early 2021. He takes over as President and CEO from Bryan Hanson, who has served as the Company's President and CEO since late 2017 and Chairman since 2021, and is departing to take on another CEO role.

Suketu (Suky) Upadhyay, who joined Zimmer Biomet in 2019 as Executive Vice President (EVP) and Chief Financial Officer (CFO), is expanding his role to also include full responsibility for overseeing the Company's global Operations and Supply Chain functions. Additionally, current Lead Independent Director Christopher Begley takes on the role of Chairman of the Board, effective today.

The Company is reaffirming its full-year 2023 financial guidance as outlined in the [second quarter financial results](#) announced on August 1, 2023.

"It is an honor to be appointed CEO of Zimmer Biomet at a time when our execution is extremely strong and our innovation momentum is at an all-time high," said Mr. Tornos. "I am grateful for Bryan's leadership in transforming the Company and am now looking forward to leading the team and

accelerating our ZB strategy to drive continued growth and boldly advance the standard of musculoskeletal care."

Mr. Tornos joined Zimmer Biomet in November 2018 as Group President, Orthopedics and a year later was named Group President, Global Businesses and the Americas. He was appointed Chief Operating Officer in March 2021 with responsibility for overseeing all global businesses at Zimmer Biomet, as well as leading the global operations, clinical and medical education and global R&D and New Product Development functions. In this role, he had oversight of the Americas and the Europe, Middle East and Africa (EMEA) regions.

Prior to joining Zimmer Biomet, Mr. Tornos served as Worldwide President of the Global Urology, Medical and Critical Care Division of Becton, Dickinson and Company. Earlier, he was with C.R. Bard in positions of increasing responsibility, most recently serving as President, EMEA. Before joining C.R. Bard, Mr. Tornos served as Vice President and General Manager of the Americas Pharmaceutical and Medical/Imaging segments of Covidien International. He also served as International Vice President, Business Development and Strategy with Baxter International Inc., and prior to that he spent over a decade in leadership assignments around the globe with Johnson & Johnson. Mr. Tornos currently serves as an independent member of the Board of Directors of global healthcare company PHC Holdings Corporation.

"Ivan has consistently delivered strong results since joining Zimmer Biomet. His deep expertise in the medtech sector, commercial prowess and proven leadership experience make him the ideal leader for Zimmer Biomet as we move into our next phase of innovation and growth," said Mr. Begley. "As a Board of Directors, we are extremely pleased with the strength of the Company's succession planning efforts, the depth of the management team and Ivan's appointment. On behalf of the entire Board, I thank Bryan for his tremendous service to the organization and his role in establishing the Company as a leading player in the medtech space."

Today it was announced that Mr. Hanson will be assuming the role of CEO of the healthcare spinoff of 3M. During his tenure at Zimmer Biomet, he spearheaded the Company's transformation, reshaping the mission, culture, corporate strategy, quality, compliance, operations and market performance. Mr. Hanson also successfully orchestrated the spinoff of the Company's Spine and Dental franchises to an independent company, ZimVie Inc.

"The last five and a half years at the helm of Zimmer Biomet have been transformational, not just for the Company, but for me, as well," said Mr. Hanson. "I have the utmost confidence in Ivan, the entire ZB team and the strength of the business. I cannot think of a better leader to continue to move the ZB mission forward and deliver value for patients, customers and shareholders."
