- (1) The Tender Cap for each series represents the maximum aggregate principal amount of Notes of such series that will be purchased in the Offers.
- (2) The applicable page on Bloomberg from which the dealer managers will quote the bid side prices of the applicable U.S. Treasury Security. In the above table, "UST" denotes a U.S. Treasury Security.
- (3) The Hypothetical Total Consideration is inclusive of the Early Tender Premium (as defined below) but exclusive of accrued and unpaid interest from the last interest payment date applicable to the relevant series of Notes up to, but not including, the Early Settlement Date (as defined below) and is based on the reference yield of the Reference U.S. Treasury Security as of 11:00 a.m., New York City time, on November 18, 2016. The actual reference yields of the Reference U.S. Treasury Securities will be determined by the dealer managers based on certain quotes available at 11:00 a.m., New York City time, on the price determination date, which is expected to be December 6, 2016.

The Offers are being made pursuant to and are subject to the terms and conditions, including a financing condition, set forth in the Offer to Purchase dated November 21, 2016 (the "Offer to Purchase") and the related Letter of Transmittal (the "Letter of Transmittal"). The Offers will expire at 11:59 p.m., New York City time, on December 19, 2016, unless extended or earlier terminated by the Company (the "Expiration Date"). Tenders of Notes may be withdrawn at any time at or prior to 5:00 p.m., New York City time, on December 5, 2016 (the "Withdrawal Deadline"), but may not be withdrawn thereafter except in certain limited circumstances where additional withdrawal rights are required by law.

The consideration paid in the applicable Offer for each series of Notes that are validly tendered and accepted for purchase will be determined in the manner described in the Offer to Purchase by reference to a fixed spread over the yield to maturity of the applicable U.S. Treasury Security specified in the table above and in the Offer to Purchase (the "Total Consideration"). Holders of Notes that are validly tendered and not validly withdrawn at or prior to 5:00 p.m., New York City time, on December 5, 2016 (the "Early Tender Deadline") and accepted for purchase will receive the applicable Total Consideration, which includes an early tender premium of \$30.00 per \$1,000 principal amount of the Notes accepted for purchase (the "Early Tender Premium"). Holders of Notes who validly tender their Notes following the Early Tender Deadline and on or prior to the Expiration Date will only receive the applicable "Tender Offer Consideration" per \$1,000 principal amount of any such Notes validly tendered by such holders that are accepted for purchase, which is equal to the applicable Total Consideration minus the Early Tender Premium. The Total Consideration will be determined at 11:00 a.m., New York City time, on December 6, 2016, unless extended by the Company.

Payments for Notes purchased will include accrued and unpaid interest from the last interest payment date applicable to the relevant series of Notes up to, but not including, the applicable settlement date for such Notes accepted for purchase.

The settlement date for Notes that are validly tendered and not validly withdrawn on or prior to the Early Tender Deadline and accepted for purchase is expected to be December 13, 2016 (the "Early Settlement Date"). The settlement date for Notes that are validly tendered following the Early Tender Deadline but on or prior to the Expiration Date and accepted for purchase is expected to be December 20, 2016, the first business day after the Expiration Date (the "Final Settlement Date"), assuming the Maximum Tender Amount of Notes is not purchased on the Early Settlement Date.

Subject to the applicable tender caps specified in the table above (the "Tender Caps"), the Maximum Tender Amount and proration, all Notes validly tendered and not validly withdrawn on or before the Early Tender Deadline having a higher Acceptance Priority Level (with 1 being the highest) will be accepted before any validly tendered Notes having a lower Acceptance Priority Level (with 5 being the lowest), and all Notes validly tendered after the Early Tender Deadline having a higher Acceptance Priority Level will be accepted before any Notes validly tendered after the Early Tender Deadline having a lower Acceptance Priority Level. However, even if the Offers are not fully subscribed as of the Early Tender Deadline, subject to the Tender Caps, the Maximum Tender Amount and proration, Notes validly tendered and not validly withdrawn on or before the Early Tender Deadline will be accepted for purchase in priority to Notes validly tendered after the Early Tender Deadline even if such Notes validly tendered after the Early Tender Deadline even if such Notes validly tendered after the Early Tender Deadline Subject to applicable law, the Company may increase or decrease any Tender Cap without extending the Early Tender Deadline or the Withdrawal Deadline.

Notes of a series may be subject to proration (rounded to avoid the purchase of Notes in a principal amount other than in an integral multiple of \$1,000) if the aggregate principal amount of the Notes of such series validly tendered and not validly withdrawn is greater than the applicable Tender Cap or would cause the Maximum Tender Amount to be exceeded. Furthermore, if the Offers are fully subscribed as of the Early Tender Deadline, holders who validly tender Notes following the Early Tender Deadline will not have any of their Notes accepted for payment regardless of Acceptance Priority Level. The Company's obligation to accept for payment and to pay for the Notes validly tendered in the Offers is subject to the satisfaction or waiver of the conditions, including a financing condition, as described in the Offer to Purchase. The Company reserves the absolute right, subject to applicable law, to: (i) waive any and all conditions to the Offers, including, without limitation, the financing condition; (ii) extend or terminate the Offers; (iii) increase or decrease the Maximum Tender Amount and/or increase, decrease or eliminate one or more of the Tender Caps without extending the Early Tender Deadline or the Withdrawal Deadline; or (iv) otherwise amend the Offers in any respect.
