

Zimmer Holdings, Inc. Reports Third Quarter 2010 Financial Results

Oct 28, 2010

- Net Sales of \$965 million represent a decrease of 1.1% reported (0.5% constant currency) - Diluted EPS for the third quarter were \$0.96 reported, an increase of 37.1% over the prior year period, and \$0.96 adjusted, an increase of 9.1% over the prior year period - Company updates full-year sales and adjusted EPS guidance

WARSAW, Ind., Oct 28, 2010 /PRNewswire via COMTEX News Network/ -- Zimmer Holdings, Inc. (NYSE and SIX: ZMH) today reported financial results for the quarter ended September 30, 2010. The Company reported third quarter net sales of \$965 million, a decrease of 1.1% reported and 0.5% constant currency from the third quarter of 2009. Diluted earnings per share for the quarter were \$0.96 on both a reported and an adjusted basis, an increase of 9.1% adjusted over the prior year period.

"The Company delivered solid earnings and cash flow performance in a quarter affected by challenging global economic conditions," said David Dvorak, Zimmer President and CEO. "We believe that our continued progress with new product introductions across our businesses will position us for an improved performance in the fourth quarter and accelerated growth beyond 2010 as the economy strengthens."

Net earnings for the third quarter were \$191.1 million on a reported basis and \$192.4 million on an adjusted basis, an increase of 2.2% adjusted over the prior year period. Operating cash flow for the third quarter was \$320.3 million. Net earnings for the first nine months of 2010 were \$562.0 million on a reported basis and \$621.0 million on an adjusted basis, an increase of 1.2% adjusted over the prior year period.

During the quarter, the Company utilized \$225.6 million of cash to acquire 4.2 million shares. At the end of the third quarter, \$1.3 billion of share repurchase authorization remained available under the current program, which expires on December 31, 2013.

Guidance

The Company provided fourth quarter revenue and adjusted EPS guidance and updated its full-year sales and adjusted EPS guidance for 2010. Fourth quarter revenues are expected to grow in the range of 0% to 2% on a constant currency basis. As a result, the Company now expects 2010 full-year revenues to increase approximately 2% on a constant currency basis, which compares with prior guidance of between 3% and 5%. Assuming foreign currency exchange rates remain near recent levels, the Company estimates that foreign currency translation will increase revenues for the full year 2010 by 0.5%. Fourth quarter adjusted diluted earnings per share are projected to be in the range of \$1.17 to \$1.22. As a result, full-year 2010 adjusted diluted earnings per share are now projected to be in the range of \$4.24 to \$4.29, which is within the prior guidance of \$4.15 to \$4.35.

About the Company

Founded in 1927 and headquartered in Warsaw, Indiana, Zimmer designs, develops, manufactures and markets orthopaedic reconstructive, spinal and trauma devices, dental implants, and related surgical products. Zimmer has operations in more than 25 countries around the world and sells products in more than 100 countries. Zimmer's 2009 sales were approximately \$4.1 billion. The Company is supported by the efforts of more than 8,000 employees worldwide.

Website Information

We routinely post important information for investors on our website, www.zimmer.com, in the "Investor Relations" section. We intend to use this website as a means of disclosing material, non-public information and for complying with our disclosure obligations under Regulation FD. Accordingly, investors should monitor the Investor Relations section of our website, in addition to following our press releases, SEC filings, public conference calls, presentations and webcasts. The information contained on, or that may be accessed through, our website is not incorporated by reference into, and is not a part of, this document.

Note on Non-GAAP Financial Measures

As used in this press release, the term "adjusted" refers to operating performance measures that exclude inventory step-up, the provision for certain Durom(R) Acetabular Component product claims, net curtailment and settlement and acquisition, integration, realignment and other expenses. The term "constant currency" refers to any financial measure that excludes the effect of changes in foreign currency exchange rates. Reconciliations of these non-GAAP measures to the most directly comparable GAAP measure are included in this press release. Management uses this non-GAAP information internally to evaluate the performance of the business and believes that it provides useful information to investors by offering the ability to make more meaningful period-to-period comparisons of the Company's on-going operating results, the ability to better identify operating trends that may otherwise be masked or distorted by these types of items and to perform related trend analysis, and a higher degree of transparency of certain items.

Zimmer Safe Harbor Statement

This press release contains forward-looking statements within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 based on current expectations, estimates, forecasts and projections about the orthopaedics industry, management's beliefs and assumptions made by management. Forward-looking statements may be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "anticipates," "plans," "estimates," "projects," "assumes," "guides," "targets," "forecasts," and "seeks" or the negative of such terms or other variations on such terms or comparable terminology. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that could cause actual outcomes and results to differ materially. These risks and uncertainties include, but are not limited to, our compliance with the Corporate Integrity Agreement through 2012; the success of our quality initiatives; the outcome of the investigation by the U.S. government into Foreign Corrupt Practices Act matters announced in October 2007; price and product competition; changes in customer demand for our products and services caused by demographic changes or other factors; dependence on new product development, technological advances and innovation; shifts in the product category or regional sales mix of our

products and services; supply and prices of raw materials and products; control of costs and expenses; our ability to obtain and maintain adequate intellectual property protection; our ability to successfully integrate acquired businesses; our ability to form and implement alliances; challenges relating to changes in and compliance with governmental laws and regulations affecting our U.S. and international businesses, including regulations of the U.S. Food and Drug Administration and foreign government regulators; changes in tax obligations arising from tax reform measures or examinations by tax authorities; product liability and intellectual property litigation losses; the impact of health care reform measures in the U.S. including the impact of the new excise tax on medical devices, reductions in reimbursement levels from third-party payors and cost-containment efforts of health care purchasing organizations; our ability to retain the independent agents and distributors who market our products; and changes in general industry and market conditions, including domestic and international growth rates and general domestic and international economic conditions, including interest rate and currency exchange rate fluctuations. For a further list and description of such risks and uncertainties, see our periodic reports filed with the U.S. Securities and Exchange Commission. We disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be set forth in our periodic reports. Readers of this document are cautioned not to place undue reliance on these forward-looking statements, since, while we believe the assumptions on which the forward-looking statements are based are reasonable, there can be no assurance that these forward-looking statements will prove to be accurate. This cautionary statement is applicable to all forward-looking statements contained in this document.
