

Zimmer Biomet Announces Resolution with DOJ and SEC Regarding Previously Disclosed Legacy Biomet FCPA Matters

Jan 12, 2017

WARSAW, Ind., Jan. 12, 2017 /PRNewswire/ -- Zimmer Biomet Holdings, Inc. (NYSE and SIX: ZBH), a global leader in musculoskeletal healthcare, announced today that it has concluded agreements with the U.S. Department of Justice (DOJ) and the U.S. Securities and Exchange Commission (SEC) to resolve the previously disclosed U.S. Foreign Corrupt Practices Act (FCPA) matters involving Biomet, Inc., as well as in relation to the former deferred prosecution agreement and consent to final judgment that Biomet entered into with DOJ and SEC, respectively, on March 26, 2012. All of the Biomet conduct underlying today's settlement announcement has been reported in the past and occurred years prior to Zimmer Holdings, Inc.'s acquisition of Biomet in June 2015.

As part of the new settlement, the Company has entered into a deferred prosecution agreement with the DOJ with a term of three years; JERDS Luxembourg Holding S.à.r.l., the direct parent company of Biomet 3i Mexico SA de CV and an indirect, wholly-owned subsidiary of Biomet, Inc., has entered into a plea agreement with the DOJ; and Biomet, Inc. has entered into a new settlement agreement with the SEC. The Company has also agreed to oversight by an independent compliance monitor, which will focus on the Company's legacy Biomet operations, as integrated into Zimmer Biomet. As a result of the resolution, the Company will pay fines, penalties, disgorgement and interest to the DOJ and SEC in an aggregate amount of approximately \$30.5 million. The amounts to be paid were previously recorded in the Company's financial statements and will not impact its 2017 outlook.

"We are pleased to have reached this resolution involving legacy Biomet FCPA compliance matters," said Chad Phipps, Senior Vice President, General Counsel and Secretary of Zimmer Biomet Holdings, Inc. "Zimmer Biomet is committed to upholding the highest ethical and legal standards in our business practices across the globe, and we look forward to continuing to integrate the legacy Biomet business operations into our robust corporate compliance program."
