

## Centerpulse Receives Formal Offer From Zimmer

Jun 19, 2003

ZURICH, Switzerland, Jun 19, 2003 /PRNewswire-FirstCall via COMTEX/ --

The Board of Directors of Centerpulse Ltd notes that Zimmer Holdings, Inc. of Warsaw, Indiana, USA has launched its detailed, formal offer for Centerpulse today. Zimmer confirmed its offer of CHF 120 in cash and 3.68 Zimmer shares for each Centerpulse share as set out in Zimmer's pre-announcement dated May 20, 2003.

Zimmer has dropped a number of conditions since its pre-announced offer, including those concerning due diligence, tax related to Centerpulse's spin- off from Sulzer AG, and product recall litigation.

Zimmer's announcement represents the second formal offer to Centerpulse shareholders, following the offer launched by Smith & Nephew Group plc on April 25, 2003. Centerpulse's Board intends to make its report to shareholders on the Zimmer offer once it has had the opportunity to study the Zimmer offer in detail and in accordance with Swiss Takeover Law. In the meantime, shareholders are not required to take any action.

Max Link, Chairman and Chief Executive Officer of Centerpulse, said: "The Board remains committed to acting in the best interest of Centerpulse's shareholders, as well as for the future of the business and its employees. The Board acknowledges the professionalism and relentless dedication that Centerpulse employees are demonstrating during this challenging time."

Centerpulse's subsidiaries develop, produce, and distribute medical implants and biological materials for orthopedic, spinal and dental markets worldwide. The product array includes artificial joints, dental implants, spinal implants and instrumentation.
