- (3) As of the Early Tender Deadline.

Subject to the Financing Condition (as defined in the Offer to Purchase), the Company currently expects to accept for purchase **certain of the Notes** validly tendered and not validly withdrawn on or before the Early Tender Deadline for which the aggregate principal amount of the applicable series of Notes did not exceed the applicable Tender Cap, and subject to the application of the Acceptance Priority Levels, each as set forth in the table above, and proration, and for which the aggregate purchase price did not exceed the **Maximum Tender Amount**.

As a result, tendered Notes may no longer be withdrawn, except in certain limited circumstances where additional withdrawal rights are required by law (as determined by the Company).

Although the Offers are scheduled to expire at 11:59 p.m., New York City time, on December 19, 2016, because holders of Notes subject to the Offers validly tendered and did not validly withdraw Notes on or prior to the Early Tender Deadline for which the aggregate purchase price exceeds the

Maximum Tender Amount, the Company does not expect to accept for purchase any tenders of Notes after the Early Tender Deadline.

The purpose of the Offers is to reduce the principal amount of the Company's outstanding debt securities. Notes purchased in the Offers will be retired and cancelled.
