

Zimmer Holdings Issues Clarification Regarding NexGen Knee System

Jul 14, 2008

WARSAW, Ind., July 14, 2008 /PRNewswire-FirstCall via COMTEX News Network/ -- Zimmer Holdings, Inc. (NYSE: ZMH; SWX: ZMH) statement:

A news story earlier this morning incorrectly stated that Zimmer's NexGen(R) knee implant had been recalled. In fact, the recall notification cited refers only to a surgical instrument used for minimally invasive surgeries (MIS) and not the implant system itself. The Company says that the recall is isolated to a single surgical instrument and that additional instrumentation options are available. The Company does not expect this instrument recall will have a material impact on sales.

Zimmer Safe Harbor Statement

This press release contains forward-looking statements within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 based on current expectations, estimates, forecasts and projections about the orthopaedics industry, management's beliefs and assumptions made by management. Forward-looking statements may be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "anticipates," "plans," "estimates," "projects," "assumes," "guides," "targets," "forecasts," and "seeks" or the negative of such terms or other variations on such terms or comparable terminology. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that could cause actual outcomes and results to differ materially. These risks and uncertainties include, but are not limited to, our compliance with the Deferred Prosecution Agreement through March 2009 and the Corporate Integrity Agreement through 2012, the impact of our enhanced healthcare compliance global initiatives and business practices on our relationships with customers and consultants, our market share and our overall financial performance, the success of our quality initiatives, the outcome of the informal investigation by the U.S. Securities and Exchange Commission into Foreign Corrupt Practices Act matters announced in October 2007, price and product competition, rapid technological development, demographic changes, dependence on new product development, the mix of our products and services, supply and prices of raw materials and products, customer demand for our products and services, control of costs and expenses, our ability to obtain and maintain adequate intellectual property protection, our ability to successfully

integrate acquired businesses, our ability to form and implement alliances, international growth, our compliance with governmental laws and regulations affecting our U.S. and international businesses including regulations of the U.S. Food and Drug Administration and foreign government regulators and tax obligations and risks, product liability and intellectual property litigation losses, reimbursement levels from third-party payors, cost-containment efforts of healthcare purchasing organizations, our ability to retain the independent agents and distributors who market our products, general industry and market conditions and growth rates and general domestic and international economic conditions including interest rate and currency exchange rate fluctuations. For a further list and description of such risks and uncertainties, see our periodic reports filed with the U.S. Securities and Exchange Commission. We disclaim any intention or obligation to update or revise any forwardlooking statements, whether as a result of new information, future events or otherwise, except as may be set forth in our periodic reports. Readers of this document are cautioned not to place undue reliance on these forward-looking statements, since, while we believe the assumptions on which the forward-looking statements are based are reasonable, there can be no assurance that these forwardlooking statements will prove to be accurate. This cautionary statement is applicable to all forwardlooking statements contained in this document.
