Cautionary Statement Regarding Forward-Looking Statements

This communication contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 regarding the underwritten secondary offering of shares of Zimmer Biomet's common stock. Forward-looking statements may be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "anticipates," "plans," "estimates,"

"projects," "assumes," "guides," "targets," "forecasts," and "seeks" or the negatives of such terms or other variations on such terms or comparable terminology. Such statements are based upon the current beliefs and expectations of management and are subject to significant risks and uncertainties that could cause actual outcomes and results to differ materially, including (a) any decision by the selling stockholders or the underwriters not to proceed with the secondary offering and (b) market conditions making the secondary offering unattractive to potential purchasers of the offered shares of common stock. For a list and description of some of such risks and uncertainties, see Zimmer Biomet's periodic reports filed with the SEC. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in Zimmer Biomet's filings with the SEC. Zimmer Biomet disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be set forth in its periodic reports. Accordingly, such forward-looking statements speak only as of the date made. Readers of this communication are cautioned not to place undue reliance on these forward-looking statements, since, while management believes the assumptions on which the forward-looking statements are based are reasonable, there can be no assurance that these forward-looking statements will prove to be accurate. This cautionary statement is applicable to all forward-looking statements contained in this communication.
